Orange County Public Schools Building Code Compliance Office will assess a non-refundable construction document re-review fee to all entities who design and/or submit construction documents for building code review. The fee must be paid prior to review of the third or more subsequent submission for a project due to incompleteness or non-code compliance issues.

The fee schedule is based on the project’s valuation and the following chart.

Total Valuation	Fee
\$1 - \$25,000.....	\$32.00
\$25,001 - \$50,000.....	\$54.00
\$50,001 - \$100,000.....	\$106.00
\$100,001 - \$500,000.....	\$212.00
\$500,001 - \$1,000,000.....	\$318.00
\$1,000,001 - \$2,000,000.....	\$424.00
Over \$2,000,000.....	\$424.00 + \$11.00 per each additional \$100,000 in valuation

To further clarify, the initial document review and first re-review will be performed at no charge. The stated fee will be charged prior to any additional reviews required after the first re-review. This re-review fee program is implemented in an effort to reduce the amount of project re-reviews conducted by the BCCO which in turn has a negative fiscal impact on the school district.

If you have questions, please contact the BCCO.
